

Scottsdale Center for the Performing Arts Student Performance Tax Credit

Send Students to Scottsdale Center for the Performing Arts

Arizona law* allows taxpayers to receive a tax credit of up to \$200 for individual filers and up to \$400 for married filers for student extracurricular activities. For every \$100 you donate, you can send an Arizona high school student to three performances at Scottsdale Center for the Performing Arts. You can claim the tax credit when filing your 2011 Arizona State Income Tax return.

To participate, print out this form, complete it, and mail it to the high school of your choice with payment. Participation must be postmarked or received by December 31, 2011. Verification of the tax credit will be mailed in the form of a receipt from your selected school.

Before participating, it is recommended that you consult your tax adviser and thoroughly read the Commonly Asked Questions found at www.scottsdaleperformingarts.org/taxcredit. For more information, contact Tammy Hinds in the Scottsdale Center for the Performing Arts Education Department at (480) 874-4627.

*A.R.S. 43.1089.01

I wish to send a child to performances at Scottsdale Center for the Performing Arts and receive a tax credit in the following amount:
